Subject : Updates on the Opening of MII Computer-Based Examination (CBE) Centre

The Malaysian Insurance Institute (MII) is pleased to inform that we have added three(3) new Computer-Based Examination (CBE) centres in Alor Setar, Tawau and Sandakan. Please refer to the table on the next page for details of our CBE centres. The same table is also available [here](#). To self-register for an examination, log onto www.mii4u.org.

Please note that as we are still in the Movement Control Order – Recovery (RMCO) situation and subject to the authorities' standard operating procedure, the MII's CBE centres are open with limited number of seats. We will offer seats in full capacity once situation is back to normal.

We seek your kind cooperation to disseminate this information to the relevant parties including member companies and agency force accordingly.

For further clarification or assistance on the matter, please contact the MII team at 03-2172 8882 or email us at agentexam@mii.org.my.

Until there are further updates from the relevant authorities, we urge everyone to adopt measures to protect yourself and the community and strictly adhere to the advice of the Ministry of Health.

We thank you for your cooperation and continued support.

Stay safe and healthy.

For The Malaysian Insurance Institute

Wahida Shariff

Chief Academic Officer
