

Asia Learning & Development CONFERENCE

15 - 16 July 2019 |
Hotel Istana, Kuala Lumpur

Conference Highlight

This brand new conference is produced in response to the many requests for a forum to share global insights on training, learning and development.

The platform will provide for a very practical knowledge exchange to showcase case studies, research, and interactive presentations on different training methodologies, talent development needs and innovations, retention strategies, and productivity enhancers.

Expect a 2-day packed program with exciting topics to equip your workforce with skills for jobs of tomorrow and ways to build an agile organisation in this rapidly changing industry. Also, find out about the different platforms to support employees to take ownership of their learning and how to drive a continuous learning culture to support business objectives. In addition, take part in Praxis Game!

Who Should Attend

This conference will bring together insurance executives from throughout the APAC region that are responsible for training, learning and development at both the home office and in the field. Attendees will include:

- HR executives
- Heads/VPs/Directors/ Managers of Training, Learning, and/or Development
- Heads of Talent Management
- Training Specialists
- eLearning Managers
- Performance Consultants
- Program Development staff
- Service providers
- Sales Managers, along with more strategic leaders looking for a better understanding of what the learning and development landscape currently looks like.
