Warmest greetings from MII.

I am pleased to inform you that MII will be offering the Computer-Based Examination (CBE) centre in Sibu with effect from 10th June 2017.

This is in line with the demand and preference from candidates to sit for computer-based examination (CBE) as they are able to obtain their results immediately. We will be offering the examination once a month. Attached is the examination schedule from June to December 2017.

Hence, with this development MII would also like to give notice that we will be closing the Paper and Pencil Examinations (PPE) centre in Sibu.

We seek your cooperation and support to inform your member companies and agency members accordingly.

Thank you.

Yours sincerely,

Dr. Rusli Othman
Chief Academic Officer (CAO)
