

To : The Chief Executive Officers / Principal Officers / General Managers / Heads of Learning & Development Of Insurance Companies, Brokers, Loss Adjusters, Associations and Students

Date : 16 July 2020

Subject : Re-opening of MII Examination Centres Nationwide

Due to the Movement Control Order, our Computer-Based Examination (CBE) Centre in Wisma FGV and all other 13 CBE centres across the country were required to be closed. With the latest standard operating procedure released by the authorities, we are pleased to inform that our CBE centres are being opened in stages to meet the demands of the industry. Kindly refer to the table on the next page or [here](#) for the full details on our CBE centres and its operational status. To self-register for an examination or any one of our programmes, please log onto www.mii4u.org or contact us for assistance.

Please note that as we are currently operating in the latest phase of the Movement Control Order – Recovery, in compliance with the authorities' standard operating procedures, the centres are open with limited number of seats to avoid congestion. We also observe the highest health and safety standards at our centres to protect the health and safety of our workforce, the candidates and the members we serve. Rest assured, we will resume at full capacity once the authorities have given us the approval to do so.

For any further clarification or assistance, please feel free to contact the MII team at 03-2172 8882 or email us at customercare@mii.org.my.

We seek your kind cooperation to cascade this information to the relevant parties including member companies and agency force accordingly.

Until there are further updates from the relevant authorities, we would urge everyone to follow the Ministry of Health's advice and adopt measures to protect yourself and the community.

We thank you for your continued support of us. We will continue to work hard to uphold the commitments we made to supporting you and our industry.

For The Malaysian Insurance Institute

Wahida Shariff
Chief Academic Officer
