3. **to be confirmed**

2.10 – 2.40 pm (30 minutes)

Session Six

Presentation: **Developing New Leaders and Onboarding New Hires**

- Over the past five years, companies have created efficiencies in operations while controlling head-count growth. The trend has been lower hiring numbers while needing to do very little to retain their talent. As a result, limited investments have been made in training approach or methodology. The current market place and changing employee demographics will require firms to focus on two key factors: Developing New Leaders and Onboarding New Hires. The new management styles necessary for leadership

Speaker: **Ms. Kitty Ching, Vice President, Taiwan Insurance Institute**

2.40 – 3.00 pm (20 minutes)

Afternoon Refreshment

3.00 – 3.40 pm (40 minutes)

Session Seven

3. **Mr. Bill Duggan, Director, READI Field, Indonesia**

3.40 – 4.30 pm (50 minutes)

Session Eight

Panel Discussion : **Time to Embrace the Digital Age - Technological advances and Distribution Channels**

- How using technology to enable the customer-centric insurer to drive the sales and service of innovative products and cut costs, while staying compliant.
- Addressing the impact of the advances which are taking place in information technology and considers some of the associated problems. The implications for distribution channels and global are then discussed.
- the future of the insurance business lies in technology-driven processes restructuring.
- In light of the disruptive innovations, will Insuretech be the future of Insurance?

Moderator: **Mr. Roshan Perrera, Partner, NMG's Actuarial Consulting Solutions**
