Intan Khadiza Mohamad Amin
Case Manager, Life and Medical Claims, Ombudsman for Financial Services (OFS, formerly known as the Financial Mediation Bureau)

Intan Khadiza Mohamad Amin joined FMB in January 2010. She graduated from the International Islamic University, Malaysia with a Bachelor of Laws (Hons) and was admitted as an Advocate and Solicitor of the High Court of Malaya in 1999. She began her career in legal practice before joining the insurance industry. She holds a Diploma of the Malaysian Insurance Institute (DMII) and LOMA's Associate Customer Service. She was in the Insurance industry for 8 years prior to joining FMB.

Intan currently is the Case Manager handling insurance disputes and complaints related to Life and Medical claims in Ombudsman for Financial Services.

Mohan Manthiry,
Founder & CEO, InfoMed

Mohan Manthiry is the Founder and CEO of InfoMed (Malaysia). A Healthcare Consultant, thinker and publisher, Mohan served as an Administrative & Diplomatic Officer for the Government of Malaysia in various positions at the Ministry of Home Affairs, Ministry of Education and Ministry of Health in the initial years of his career.

Involved in a number of healthcare consultancy for Ministry of Health Malaysia, namely in the design and implementation of a specialized pilot project on telemedicine, Hospital Information System and in the implementation of Malaysian Case-Mix System for public hospitals, he has a keen interest in the delivery of quality healthcare at an affordable cost for all. He pioneered with Insurers the students' healthcare program for Institutions of Higher Learning in Malaysia.

He founded InfoMed (Malaysia) in 2011, a premium quarterly healthcare publication for healthcare professionals, practitioners, administrators and the public. The magazine reflects the constantly evolving domestic and international healthcare industry.

Mohan holds a Master's degree in Hospital & Health Administration from the University of Iowa, and a Bachelor's degree in Mathematics from the University of Science Malaysia.

Associate Professor Dr Amrizal Muhammad Nur
Centre Deputy Chief, International Centre for Casemix & Clinical Coding, The National University of Malaysia Medical Centre

Centre Deputy Chief, International Centre for Casemix & Clinical Coding, The National University of Malaysia Medical Centre

He spent his earlier career years in Indonesia before prior to lecturing at UKM, and eventually be appointed as the Research Fellow at the International Centre of Casemix & Clinical Coding at the same university. Dr. Amrizal's responsibilities among others is to conduct research & capacity building on Accessibility, Efficiency and Quality of Care in Health System (especially in casemix management) to support casemix implementation in developing countries i.e. Malaysia, Indonesia, the Philippines, Uruguay, Yemen, Kenya, United Arab Emirates, Vietnam and Ghana.

He obtained his MD from the Faculty of Medicine Andalas University, Indonesia, Master's (MSc) in Medical Science (Health Care Service Management) at School of Medicine Universiti Sains Malaysia (USM), and PhD in Public Health (Casemix Management & Health Economics) from National University of Malaysia Kuala Lumpur.

Dr. Richard Jones,
Regional Medical Director, Indonesia, International SOS

Richard started in his Medical Services role in Indonesia in February 2014, and has been responsible for driving the quality of medical care and patient safety at sites where International SOS supports clients with medical staffing. In this role Richard sets and maintains positive medical leadership with all the International SOS medical staff to ensure that International SOS' standards are implemented and respected. He champions efforts to decrease smoking, to improve diets, to promote active lifestyles, and the early detection of chronic diseases in order to support International SOS' clients to create and maintain a healthy workforce and working environment.

Prior to joining Indonesia, Richard was the Intl.SOS Medical Director, Ghana from 2011 – Jan 2014. Richard qualified from the University of Pretoria, South Africa with a Bachelor of Medicine & Surgery Degree; he also holds a Diploma in Aerospace Medicine and a NEBOSH International General Certificate (Occupational Health and Safety).

Dr. Hafez Hussain,
Executive Director, Social Security Organization (SOCSCO) Tun Abdul Razak Rehabilitation Centre, Melaka

Dr. Hafez Husain is the Executive Director and the Clinical Head at the SOCSCO Tun Abdul Razak Rehabilitation Centre, Melaka. He has had an illustrious career with SOCSCO in ensuring a high standard in medical impairment assessments through the Appellate Medical Board in hospitals, while also being an instructor in conducting Certified Medical Impairment Assessor (CMIA) courses. Obtained his Medical Degree from the University of Northern Sumatera and a Masters in Clinical Rehabilitation from Flinders University, Adelaide. Dr. Hafez was one of the editors for the 3rd edition of the "Guideline for Assessment of Traumatic Injuries, Occupational Diseases and Invalidity for SOCSCO. He was also instrumental in the development of SOCSCO's Health Screening Programme launched in 2013 and the Return to Work Programme.

Dr. Mohd Helmi Ismail,
Medical Director, PMCare

Dr. Mohd Helmi Ismail is the Medical Director of PMCare. He is instrumental in the setting up of the medical management department of PMCare, especially in the documentation of the recommended standard of practice in the treatment of PMCare's members. Holding a Masters Degree in Business Administration, as well as a Masters in Ophthalmology (Surgery), Dr. Helmi is also a partner at a private general practitioner clinic where he continues to practice to keeps himself abreast of the latest medical technology.

He trains Insurance Claims personnel in processing medical bills from various medical providers, while also lecturing post-graduate students at Universiti Kebangsaan Malaysia, and undergraduates at Universiti Teknologi MARA (UiTM).

Emeritus Professor P.T. Thomas,
Executive Dean, Faculty of Health and Medical Sciences, Taylor's University

Emeritus Professor P.T. Thomas is Executive Dean at the Faculty of Health and Medical Sciences, Taylor's University. He had the good fortune of being educated in Malaysia, in India and the United States of America. Thomas worked with the Ministry of Health Malaysia for 19 years and subsequently as an academic at a public university for 16 years, before taking up a position at Taylor's University in January 2014. Thomas was a visiting scholar at Mahidol University, Thailand in 2013. He has previously been a council member and Vice President of the Malaysian Pharmaceutical Society and also the Chairman of the Regulatory, Law and Ethics Section of the Federation of Asian Pharmaceutical Associations. He is a founding member and currently council member of the Malaysian Academy of Pharmacy.

P.A. Sharon, Owner,
Messrs Palani Ammal & Co

P.A. Sharon is the Owner of Messrs Palani Ammal & Co. With 10 years' experience, Sharon's area of practice is primarily on clinical negligence, either representing Patients in pursuing a claim, or defending health care practitioners, i.e. Doctors, Allied Healthcare Providers, Hospitals and Clinics. She is also exposed to appearing in Disciplinary Bodies like Malaysian Medical Council and the Bar Council Disciplinary Committee.

Holding a LLB Hons from the University of Northumbria, Newcastle UK and a Barrister of Lincoln's Inn, London, Sharon regularly speaks in trade forums addressing issues on medical negligence, confidentiality and criminal matters arising in any medico-legal cases.
