Insurance Company/ Insurance Brokering Firm/ Loss Adjusting Firm

Dear Sir,

**The Insurance and Takaful Walk (ITW) : Postponed**

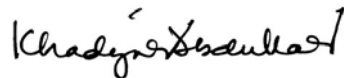

With reference to the above, we regret to inform you that the ITW 2009 has been postponed until further notice.

This is in view of the economic slowdown where the industry players have to reprioritize their resources to meet the uncertain market challenges. Further, the sponsorship response for organizing this annual event has been limited. Without the sponsorship, the event cannot be properly organized and the expected outcome would not be realized. We believe that if we were to do it, we must do it well with proper funding and support so as not to jeopardize the event with reputational risks of being poorly organized that may lead to complaints from the participants. This will then defeat the purpose of positively promoting ITW as an industry event.

We take this opportunity to express our deepest gratitude to the few companies who have responded and committed to the various sponsorship packages. Your generosity in support of this noble objective is always recognized and highly appreciated.

Thank you.

Yours sincerely,

Khadijah Abdullah  
Chief Executive Officer
