

Speaker profile

Aaron Tay
CIO,
Auspac Investment Management

Aaron is the CIO of Auspac Investment Management and a Director of Auspac Ventures Fund VCC. He has 20 years of experience in business development, fundraising, private equity and portfolio management.

Before joining Auspac Investment Management, Aaron held investment positions in hedge fund, private equity, and venture capital. Over the years, Aaron has built up a track record in deal origination, investments, and divestments in diverse sectors in SEA, Australia and China. He was also involved in fundraisings for private equity, real estate, and hedge funds with Asian based institutional investors.

Aaron holds a MBA from The University of Chicago Booth School of Business and a Bachelor of Commerce (Second Upper-class Honours) in Economics and Finance from the University of Melbourne. He is also a CAIA Charterholder, a Chartered Market Technician (CMT), a Qualified Listed Entity Director, and a member of Singapore Institute of Directors.
