

# Human Resources Community of Practice

## Overview

The Human Resources (HR) Communities of Practice (CoP) brings together HR professionals across the industry to collaborate, connect and learn. Whether you are new to HR role, a HR generalist or in a leadership position in HR, the HR Community of Practice can help your professional development and is a platform to connect, collaborate and learn.

It is hoped that through the Human Resources (HR) CoP, HR leaders will be able to reflect, share, learn from each other and put co-created knowledge to action in their organizations.

At the first HR CoP session, we aim to bring HR leaders together to discuss the most pressing people related issues faced by organizations currently.

Hear from experts on the Future of work, Futurization of the workforce, L&D strategies and latest trends and developments in HR.
