MII-CII

RECOGNITION OF PRIOR LEARNING (RPL)

OVERVIEW

The Chartered Insurance Institute (CII) UK has extended their Recognition of Prior Learning (RPL) from 2021 to 2023 for The Malaysian Insurance Institute (MII) professional qualification programmes. This extension confirms that MII programmes have met the accepted International standards and educational requirements for current training needs of professionals. The qualification must have been completed within the last 10 years.

For students, graduates and employers, the accreditation provides assurance that MII's curriculum covers essential skills and knowledge needed for today's jobs.

Benefits of the MII-CII RPL accreditation for the individual applicant are as follows:

1. Certainty of the maximum award entitlement for applicants (terms and conditions apply).
2. Faster processing as it provides a reliable basis for inter- and intra-institutional cooperative practices, including admissions and transfer of credit.

For more information on MII-CII RPL accreditation and credit transfer, click [HERE](#). You may also obtain further information on this recognition via CII's website [HERE](#).

Be safe and stay strong.
