

## Overview

The Certificate of Malaysian Insurance Institute (CMII) is known to provide the foundation knowledge, skills and competencies needed for staff to perform their roles professionally and effectively. It is currently under the Professional Programme category and is conducted in a traditional classroom environment.

To meet the needs and demands of self-study learners and distance learners, as well as to continuously encourage insurance staff and agents to embark on professional certifications, MII has converted the traditional classroom sessions into **e-CMII**.

e-CMII is hosted on MII's iLMS and is accessible online, anytime and anywhere.

## e-CMII Products

### e-CMII with Examination

- Includes IPMP interactive e-book online Learning Content and examination

### e-CMII for Revision (without Examination)

- Includes e-content only

## Benefits of e-CMII

- Lower fee
- Work-Life balance
- Learn at preferred time and space
- Lower cost (reduced travelling expenses)
- Suitable for distance learners, self study learners and working adults
- Learners who enrol in **e-CMII with Examination** and successfully passes the CMII Examination will join the list of CMII graduates.

## Who Should Register

Malaysians and international students who would like to obtain professional certifications in Insurance studies.

## Course Objectives

Learners should be able to:

- Elaborate the concept of risk and insurance
- Know the insurance marketplace
- Differentiate the principles of conventional insurance and takaful
- Know the regulatory requirements on the Insurance industry
- List the types of insurance products, its premium rating and the underwriting and claims procedures
