Agenda

9.30 am: **Welcome & Introduction**
Shalini Pavithran, CEO, The Malaysian Insurance Institute

9.40 am: **Future of the Workforce and Skills for the Future**
Sharala Axryd, Founder and CEO of The Center of Applied Data Science (CADS)

10.15 am: **The Open Talent Economy: Attracting & Retaining the Next Generation of Talents**
Jacqui Barratt, Founder and CEO, Salt APAC

COVID forced a global disruption on business that we have not faced before, it has changed the way we work and for many organisations left them considering what they should be doing next, and how would they compete in the future?

As a digital recruitment specialist, business owner and director, Jacqui will be sharing on what your organisations need to do to, not to just attract but retain the right talent for your new future. Technology is the enabler but people remain at the heart and success of every business. Her talk will focus on these essentials:

- *Competing for talent? What are you doing to attract talent?*
- *What does your employment brand say about you?*
- *Retention strategies that help you bridge the gap with multi-generations*
- *The mindset of digital talent and what they want*
- *The flexible workforce*

10.50 am: Break 

11.00 am: **Revisiting your L&D Strategy in Turbulent Times**
Ang Hui Ming, Co-Founder of Leaderonomics

11.35 am: **Community Dialogue**
