TRAINER'S PROFILE

JASDEEP SINGH

Jasdeep Singh has been in the insurance industry for more than 25 years. He has vast experiences in almost all departments within an insurance organization. He started off his career with MBf Insurans Sdn Bhd in 1987 as their Risk Surveyor and moved up quickly to be their Underwriting Manager. He subsequently headed their Management Information System Department and got both the Motor and Fire computer system implemented using the state of the art information technology driven by Sybase on Unix.

Jasdeep Singh later moved on to join American Home Assurance Company which is a subsidiary of American International Group (AIG) in 1997. Here again he displayed very creative and matured professionalism that the management immediately recognized his contribution and promoted him to be the Vice President, Profit Center Manager for Personal Lines Division. He later took on additional responsibilities by also heading Branch Management as their Country Branch Manager.

From 2010, Jasdeep has been focusing on improving the competency level of the industry. He has written the Certificate of Malaysian Insurance Institute (CMII) which is now a favorite course for entrance into the insurance market. He is also a panel trainer for both the Asean Institute of Finance and PIDM.
